

Project Fact Sheet

Capital City Development Corporation (CCDC), in cooperation with the City of Boise and Valley Regional Transit (VRT), will design improvements at 7 bus stops along Main Street and Fairview Avenue between Whitewater Park Blvd. and 16th Street.

Stop Locations have been determined by the VRT State Street Alternative Analysis that is currently underway.

POTENTIAL IMPROVEMENTS

- Bus bulb-outs or islands to make boarding simpler
- Bus Shelters
- Bike racks, lighting and seating
- Information kiosks

SCHEDULE

2020

SEPTEMBER

Schematic designs will be shared with stakeholders and property owners

NOVEMBER

75% design complete

2021

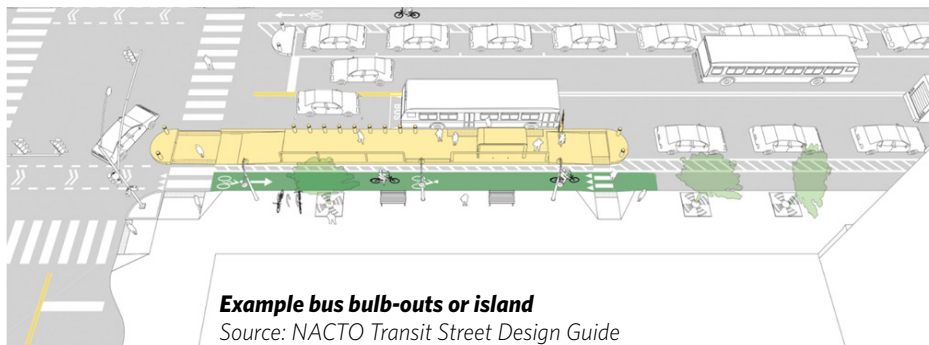

JANUARY
